

Faust's Summer Theatre Dalton School Hong Kong July 4th to 8th 2022

Faust International Youth Theatre is delighted to bring their highly sought-after **Summer Theatre** programme to Dalton School Hong Kong this summer!

About Summer Theatre

Under the careful guidance of our experienced and enthusiastic leaders, children will explore different aspects of the performing world by learning and practising drama skills using different themed stories as inspiration. Workshops are tailored to the needs and age of the children. All drama-related activities are engaging and challenging, and focus on providing children with a sense of achievement and a boost of creativity and confidence. Most importantly, our workshops are designed to be fun and enjoyable for all!

Younger actors will focus on developing confidence using the actor's tools – the voice, body and imagination. Older actors will build upon this foundation with more complex and challenging drama skills to become a more skilled performer. Photographs and a mid-week report will be emailed to parents.

Learning Outcomes

Performance Skills & Knowledge

Expressive use of voice and vocal projection

Creative physical movement and ability

Being in the moment and stage awareness

Understand different points of view and empathy

Appreciate and understand different styles, genres, practitioners and more from the wonderful world of theatre

"Thanks so much for an inspiring and engaging week at Faust! He had a lovely time every day and with his new pals. We'd like to send a huge thank you to the wonderful teachers for their marvellous work - teaching the children so much skills in such a short time, while bringing so much daily fun times. It's magic!"

"Both my kids joined the summer theatre programme this week and after ONE session today have had so much fun that they're talking about pursuing drama in the future!"

"Your programme has really helped my daughter build self-confidence, her presentation skills and opened up herself to be more creative with body language."
